Funds are needed at once, and the Board appeals to all the churches in the state for a prompt and liberal response. Who will be the first? Send all moneys to the undersigned,

Meetings in progress every evening during last week, Brother Kimmel at the helm. He is giving rich spiritual diet on the series of epistles to the seven churches of Asia. Bro. Kimmel understands his business and the one engaged in sin and iniquity has to bob his head every once in a while, while the denunciations and warnings are being hurled forth from the forts of satan's stronghold which he has attacked without fear or favor.

Large congregations assemble and regardless of sect or denomination have signified willingness to help fight the battle for the Lord. Brother David Weirick and daughter from Canton, Ohio, were over Sunday, he being ex-superintendent of the Sunday-school and leader of the choristry.

Baptism begins Tuesday afternoon at two o'clock and continues indefinitely as long as sinners want to confess and put on Christ. A large Sunday-school under the able leadership of John Keim and a live progressive prayer and song service are adjuncts and the weekly Wednesday evening prayer-meetings, is also on the increase.

Two more have been added to the Brethren class. Yesterday at the regular preaching service a man and wife were received from the M. E church. The church here is moving along but, O, so slowly.

Still God is blessing us.

Troy, O.

The brethren church at Troy, O., of which I am a member, held a communion service Sunday evening Nov. 21. Brother Bowman, the state evangelist, who was present, will no doubt give a full report of the work done, and of the presence and power of the Spirit of God manifested on that occasion.

## WINDOW FROST

The pane is etched with wondrous tracery;  
Curve interlaced with curve and line with line,  
Like subtle measures of sweet harmony  
Transformed to shapes of beauty crystalline.

—Chas Hildeth.

God sleeps not at all, and therefore his children may sleep in peace. To destroy the refreshment of the night by the cares of the day is to declare distrust of our omnipotent Father and his watching angels.

Reputation is what men say of us; character is what God and the angels know of us.

Our grand business in life is not to see what is dimly at a distance, but to do what lies clearly at hand.

## FREE.

We direct special attention to the following remarkable statements.

Had catarrh ever since I can remember, often avoided company on account of it; throat was dry and sore, the least change in the weather gave me cold; dull pain over my eyes caused a stupid and drowsy feeling; ears began to ring, in a short time my hearing failed, became so deaf could not hear one talk unless they were close to me, and spoke very loud. Used Aerial Medication eight weeks, hearing was fully restored, roaring and pain stopped, and was entirely cured of Catarrh. I do not see why anyone should suffer from Catarrh or deafness when there is such a good cure as this.—MISS CARRIE BOWERS, Rouseville, Pa.

Am 72 years old, suffered from Catarrh over 25 years, was almost entirely deaf. Four years ago used Aerial Medication, which I regard one of the most useful discoveries of this age. Since have suffered but little. My hearing was and is still restored, can hear ordinary conversation and preaching. Rev. Dr. Potter, of this city, has been signally blessed by this treatment in the cure of throat affection.—REV. C. R. PATTISON, Eustis, Fla.

## He Threw His Slate Away.

In 1869 I had typhoid fever which left me with Catarrh and totally destroyed my hearing; for 25 years I could not understand a word, or hear a steam whistle, and had to carry a slate so that people could talk to me. In '94 I obtained Aerial Medication and in a week surprised my friends by throwing my slate away, could begin to hear in two weeks could hear loud conversation, in three months could sit by the church door and fully understand every word that was spoken. The wonderful cure astonished my friends as well as myself, for three years my hearing has been perfect and I am entirely free from Catarrh.—EDWARD E. WILLIAMS, Lead, S. D.

Aerial Medication has triumphed and I am cured. One thousand dollars would be nothing compared to this. I have had bitter suffering from Catarrh. Since I had La Grippe the disease settled in the back of my head and the pain was almost unbearable, now I am cured, and thank God I heard of this treatment, which has no equal.—MISS E. S. ORR, E. Harpswell, Maine.

We have reliable assurance that the above statements are genuine and that Dr. Moore is a reputable physician.—Cincinnati Herald and Presbyterian.
